

Huron County Probate and Juvenile Court

The Huron County Juvenile and Probate Court is a committed Trauma Informed Care Partner and is operating in a trauma informed manner by:

Incorporating Trauma Informed Care principles through various trauma related trainings for all staff.

Staff have been trained to be sensitive and understanding towards all who enter the court; exhibiting patience, respect, and open communication.

Shifting response from punitive regarding offenses and offering holistic and treatment centered approaches.

Partnering with trauma informed agencies to provide services and supports to individuals involved in the court system.

Increasing transparency among staff and persons receiving services through available written documents.

Decreasing stigma by updating language used in judgement entries.

Working to decrease the occurrence for negative circumstances by assessing risk, removing acute risk (if possible) and addressing an individual's needs through case plans and referrals to promote case resolution.

Promoting empathy, support, and resolution so that individuals leave the court system better than when they entered.

Improving staff self-care as it relates to the nature of their work.
