

## Huron County Sheriff's Office is a committed Trauma Informed Care Partner and is operating in a trauma informed manner by:

Leadership communicates its support and guidance for implementing a trauma-informed approach.

Leadership structures demonstrate support for the voice and participation of people using their services who have trauma histories.

Policies recognize the pervasiveness of trauma in the lives of people using services, and express a commitment to reducing re-traumatization and promoting well-being and recovery.

Policies and procedures are in place for including trauma survivors/people receiving services and peer supports in meaningful and significant roles in agency planning, governance, policymaking, services, and evaluation.

Organization has the capacity to provide trauma-specific treatment or refer to appropriate trauma-specific services.

A communication system is in place with other partner agencies working with individuals receiving services for making trauma-informed decisions.

Staff members talk with people about the range of trauma reactions and work to minimize feelings of fear or shame and to increase self-understanding.
